Governors of the RICO enterprise for The State of Missouri;

As Governors it is beyond words how you continue to allow legal firms to commit fraud on our courts <http://www.medicalsupplychain.com/pdf/Novation%20DOJ%20FBI%20Retaliation.pdf> and obtain judgments <http://www.medicalsupplychain.com/pdf/Judgement.pdf> through fraud without any recourse or repercussions for their actions. I often wonder if I have been living a

bad dream for 8 years http://www.democraticunderground.com/discuss/duboard.php?az=view_all&address=389x758013 or if our justice system has truly eroded into the abyss of lies, fraud and deceit? Anyone who reads the record knows it is beyond misconduct.

After providing notice of the first frauds committed <http://www.medicalsupplychain.com/pdf/Christopher%20Barhorst%20Notice.pdf> to Mr. Eric Holder Jr., Mr. Robert Muller, The FBI Field Office in Kansas City who threatened my life http://www.democraticunderground.com/discuss/duboard.php?az=view_all&address=224x3652
The Honorable Judge Charles L. Stitt Division 62, Teresa Williams - City Attorney for Lee's Summit, Stephen Arbo - City Manager for Lee's Summit, Scott Sperry Registered Agent for Chapel Ridge Multifamily, LLC, Owner of Chapel Ridge Multifamily LLC Grant A. Ramsey and The Missouri Board of Governors the conspiracy in our courts has reached new heights.

Who's idea was it to have Holly L. Fisher of the firm Swanson Midgley LLC to again commit fraud on the court through omission of the record after everyone had been notified of the first frauds committed by Mr. Christopher Barhorst of Swanson Midgley LLC. <http://www.medicalsupplychain.com/pdf/Novation%20DOJ%20FBI%20Retaliation.pdf>

We have a terrible disease in Kansas City that needs national attention before it spreads any further. This disease has destroyed any credibility our justice system may have had and continues to undermine the very basic elements of the legal profession. Our entire justice system in Kansas City is broke beyond repair and a total disgrace to those jurists and legal professionals who take their oath serious.

Why is it that for 8 years <http://www.medicalsupplychain.com/pdf/McCaskill.pdf> officers of the court are committing the most blatant frauds and getting away with it day in and day out? Kansas City courts need to be quarantined until someone can come up with a solution for what seems to be an incurable disease.
